

Me and You

[Kim Richey](#)

I could say I didn't love you
You could say you never cared
We'd both know that isn't true Me and you
Me and you I don't let too much get to me
I shake it off like rain
I've raised the glass in memory to Me and you
Me and you
Me and you Seems like the things got rough
Oh, it wasn't good enough
Oh, I tried to patch things up
Alas, we have to hold on to Me and you
Me and you
Me and you We could shuffle through reasons
Why bother keepin' score
We got blame enough for two Me and you
Oh, me and you
Me and you
