

My Father's Son

Joe Cocker

Heart over mind
Yes, I'm my father's son
I live my life, just like my father's done If he'd told me one day
That somebody'd have my heart in chains
Would I believe it? No way
Made up my mind, I'd never fall that way But tell me why, every time I try
To tell you it's goodbye, I can't seem to let go
In my heart, I know I want to stay
What I'm trying to say Heart over mind
Yes, I'm my father's son
And I'm inclined to do as my father's done Here I am with you and I know that it's true
Despite all the feelings, you're putting me through
I try to walk away, something makes me stay Heart over mind
Yes, I'm my father's son
I live my life, just like my father's done But tell me why, every time I try
To tell you it's goodbye, I can't seem to let go
In my heart, I know I want to stay
Never run away My father's son
I live my life as my father's done If he'd told me, one day
That somebody would have my heart in chains
Would I believe it? No way
Made up my mind, I'd never fall that way But it's heart over mind
Yes, I'm my father's son
