Where You Gonna Run (Long Version)

Peter Tosh

Where you gonna run
Where you gonna hide
Who you tryin to see
What you tryin to find
CHORUS
We're all in this race
Everybody trying to keep a pace
Can't get away
No no, there is no escape
The world is faced with problems
And many illusions
Love is the man overstanding
It's the only solution
CHORUS
People walking around in disguise
Try to tell me what they're trying to hide
'Cause what you're looking for
It stay here with you all the time
The world is faced with problems
And many illusions
Love is the man overstanding
It's the only solution
CHORUS
