

Sleepwalking

Waylayers

My secrets are burning a hole through my heart

And my bones catch a fever

When it cuts you up this deep

It's hard to find a way to breathe

Your eyes are swallowing me

Mirrors start to whisper

Shadows start to see

My skin's smothering me

Help me find a way to breathe

Time stood still

The way it did before

It's like I'm sleepwalking

Fell into another hole I dug

It's like I'm sleepwalking

I'm at the edge of the world

Where do I go from here?

Do I disappear?

Edge of the world

Should I sink or swim?

Or simply disappear?

Your eyes are swallowing me

Mirrors start to whisper

Shadows start to see

My skin's smothering me

Help me find a way to breathe

Seeing as time stood still

The way it did before

It's like I'm sleepwalking

Fell into another hole I dug

It's like I'm sleepwalking

Wake up!

Take my hand and

Give me a reason to start again

Wake up!

Pull me out and

Give me a reason to start again

Time stands still

(Time stands still)

Time stands still
(Time stands still)
Your eyes are swallowing me
Mirrors start to whisper
Shadows start to see
My skin's smothering me
Help me find a way to breathe
Time stands still
The way it did before
It's like I'm sleepwalking
Fell into another hole I dug
It's like I'm sleepwalking
(It's like I'm sleepwalking)
(It's like I'm sleepwalking)
Time stands still
The way it did before
It's like I'm sleepwalking
