Vacation

Thomas Rhett

My girl is rocking that Billabong bikini like she's sponsored
Asking me if I can rub that Coppertone on her
Got a couple bucks but I'm spending them like they pesos
Might be Motel Sixing but it feels like Turks and CaicosPut a little liquor in my coconut water
Party all day like you at your alma mater
Put a little liquor in my coconut water
Ice has started melting cause it's always getting hotterSinging hey, let's party like we on vacation
Hey, let's party like we on vacation
I got my toes up in the sand
Cold one in my hand
Toes up in the sand
Cold one in my hand
Singing hey, let's party like we on vacationI got my Solo Cup amplifier, playing all my jams
And my Walgreens beach chair working on my tan
This like it's Jamaica and I'm sipping on some Red Stripe
But I'm in Decatur, baby, crushing on that Busch lightHey, let's party like we on vacation
Hey, let's party like we on vacation
(I got, I got, I got)
My toes up in the sand
Cold one in my hand
Toes up in the sand
Cold one in my hand
Singing hey, let's party like we on vacationPut a little liquor in my coconut water
Party all day like you at your alma mater
Put a little liquor in my coconut water
My ice started melting so I'll take another swallowSinging hey, let's party like we on vacation
Hey, let's party like we on vacation
You know I got my toes up in the sand
Cold one in my hand
Toes up in the sand
Cold one in my hand
Singing hey, let's party like we on vacation(Oh-oh-oh, oh-oh-oh-oh)
Party like I'm on vacation
(Oh-oh-oh, oh-oh-oh-oh)
Party like I'm on vacation
(Oh-oh-oh, oh-oh-oh-oh)
Party like I'm on vacation
(Oh-oh-oh, oh-oh-oh-oh)
I'm gonna rehydrate, while I dehydrate, you knowHey, let's party like we on vacation

Hey, let's party like we on vacation
(Here we go) I got my toes up in the sand
Cold one in my hand
Toes up in the sand
Cold one in my hand
Singing hey, let's party like we on vacationSinging to me hey, let's party like we on vacation
Hey, let's party like we on vacation
(Yeah dude, that's party right there)
