

Kidding

nowhere man and a whiskey girl

Where I touch does it burn?
Do I leave blister marks?
Do I leave you silent,
shivering in the dark?

Do I buy you a balloon
just to cut your strings?
Do I pick your locks,
come inside,
and smash your favorite things?

How hard can I try?
How long do I have
to flap these wings
before I'll fly?
Who am I kidding?
And who am I?
Who am I kidding?

If you make it to the bank
before they have to close
Shove a coin in the machine
And buy back my tiny soul
You should get a penny or two
Back for change
Just enough to buy
Your own shiny new cage

How hard can I try?
How long do I have
to flap these wings
before I'll fly?
Who am I kidding?
And who am I?
Who am I kidding?
