

Throw and Go

Eli Young Band

Throw the laundry in the back seat
Accelerate with your bare feet
Take this corner carefully
It's hard to corner when you can't see
I bet we're kicking up a cloud of dust
On a birdseye view of us
I'll be damned if I'm gonna rust
In a town I never thought of much

(CHORUS)

Gotta Throw and Go
Gotta make new ground
Leave in a hush
Take what ain't nailed down
Don't trip the wire, don't let the neighbors know
By the time the light hits we'll be so far gone
Throw and Go

Alarm flashing Twelve O'clock
Been that way since it powered off
Gotta make up for the time I lost
Turn up the volume take it up a notch
Maybe take a new approach
Adjust to alot alone
We're in the clear what the mirror shows
I'm staying off the paved road

(Chorus), Instrumental

Rumor says their heading down
I guess we've been ratted out
They think they've got us made
Well we've already got away!!

If we Throw and Go
Make new ground
Leave in a hush
Take what ain't nailed down
Don't trip the wire don't let the neighbors know

By the time the light hits we'll be so far gone

Throw and Go
