

I Believe (when I Fall In Love With You It Will Be

Peter Frampton

Shattered dreams, worthless years
Here am I encased inside a hollow shell
Life began, then was done
Now I stare into a cold and empty well
The many sounds that meet our ears
The sights our eyes behold
Will open up our merging hearts
And feed our empty souls
I believe when I fall in love with you it will be forever
I believe when I fall in love this time it will be forever
Without despair we will share
And the joys of caring will not be replaced
What has been must never end
And with the strength we have won't be erased
When the truths of love are planted firm
They won't be hard to find
And the words of love I speak to you
Will echo in your mind
I believe when I fall in love with you it will be forever
I believe when I fall in love this time it will be forever
I believe when I fall in love with you it will be forever
I believe when I fall in love with you it will be forever
I'm so glad that I found someone to believe in again
I'm so glad that I found someone to believe in again
God surely answered my prayer
God surely answered by prayer
You know God surely answered my prayer
You know God surely answered my prayer
God always will answer your prayers
Believe in one who will answer my prayer
Thank you God
Come on, let's fall in love
You're the woman I've been waiting for
Come on, let's fall in love
You're the girl that I really adore
Come on, let's fall in love
