

Night Life (With Waylon Jennings)

George Jones

When the evenin' sun goes down
You will find me hangin' 'round
Oh, the night life, it ain't no good life
But it's my life Many people just like me
Dreamin' of old used-to-be's
Oh, the night life, it ain't no good life
Ah, but it's my life Listen to the blues that they're playin'
Listen what the blues are sayin' Life is just another scene
In this old world of broken dreams
Oh, the night life, it ain't no good life
But it's my life Oh, the night life ain't no good life
Oh, but it's my life Yeah, it's my life
