

# All Tied Up In You

Coco Lee

Even when your lips begin to speak  
I feel the feeling coming over me  
But meeting you like this is scaring me  
But I lost myself you see  
In the magic of the moment  
The moment of your touch  
(Yeah)

I know you're working me, baby  
But I'm needing you too much  
'Cause I can't think and I can't eat  
It's 3 in the morning and I can't even sleep  
'Cause I'm all tied up in you  
And I don't know what to do  
Sometimes I can't think, sometimes I can't speak  
It's a crying shame what you've done to me  
'Cause I'm all tied up in you  
I'm so all tied up in you

I smile at your sweater when you're not at home  
I love the scent of your new cologne  
You know it drives me crazy  
When you're not near me, baby  
I call your number just to hear your voice  
I wish I didn't have to but I got no choice  
Like a rope around your heart  
Just wanna be where you are  
'Cause I can't think and I can't eat  
It's 3 in the morning and I can't even sleep  
'Cause I'm all tied up in you  
And I don't know what to do  
Sometimes I can't think, sometimes I can't speak  
It's a crying shame what you've done to me  
'Cause I'm all tied up in you  
I'm so all tied up in you  
There ain't nothing you can do 'bout it  
There ain't nothing that I can say  
I'm as guilty a sin boy  
When it comes to meeting you, baby  
I'm all wrapped up in you  
I'm ready to give you everything I've got

'Cause I love you  
'Cause I can't think and I can't eat  
It's 3 in the morning and I can't even sleep  
'Cause I'm all tied up in you  
And I don't know what to do  
Sometimes I can't think, sometimes I can't speak  
It's a crying shame what you've done to me  
'Cause I'm all tied up in you  
I'm so all tied up in you
