Anmorata

Switchblade Symphony

These walls were built for you
Anmorata,
Your secrets never die
Your garden's never dry
Feel it feed meFeel it feed me
Feel it feed me
Feel it feed meAnmorata,
Anmorata,
The men all loved you so
How much you'll never know
Feel it feed me
Feel it feed meFeel it feed me
Feel it feed meI'll bring you home
And then you'll know
And through my yard you'll see
What it is like for meAnmorata,
Breathe the life into me
Anmorata,
Take me where I need to beFeel it feed me
Feel it feed me
Feel it feed me
Feel it feed me
Feel it feed meFeel it feed me
Feel it feed me
Feel it feed me
