Gotta Lotta

Strange Fruit Project

Rock your body
Rock, rock, rock your body
Rock, rock, rock your body
Rock, rock, rock, rock your bodyRock, rock your body
Rock, rock, rock, rock your body
Rock, rock, rock, rock your body
Rock, rock your body, who like to party?Oh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpBass bumpin'
People jumpin' to the beat
Everybody's groovin'
Got this party on its feetI got the DJ rockin', B-boys clockin'
Fakers jockin' all in my scene
So if you came to get down
Get out 'cha seatLet's get it started, play your part
It ain't that hard, just follow my lead
If you still don't get it, yo J
Tell 'em what I meanNow pop 'til you can't no more
We got the style so hot, it's incredible
Do the whip to the whop to the candy store
We won't stop 'til you had enoughUh, get up on the dance floor
Clap your hands to the beat like Simon says, boy
Got the heat that'll make you feel joy
Run it back, 2 steps to the beat, uhOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpIf you know that you're hot, let me see what you got
Set fire to the floor, burn it up
If you're only gonna come halfway
Don't even come at allBecause the people wanna see you
Bring it on before the end of this song
Just feel the music, let your body rock to it

And do it, do it, do itSo if you know you're fly, then it's the time
To show the people how this is done
I said feel the music, let your body rock to it
Do it, do it, do itRock your body, who like to party?
Just throw your hands up and don't hurt nobody
We just came to party wit you
And raise 'em up high if you like to do tooSo rush to the dance floor
Rock it, rock it, pop it, pop it
Show the people what you came for
Drop it, drop it, you can't top itOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpI move so bionic, supersonic
Hypnotic on the floor
And when we flaunt it, they try to cop it
And everybody knowsWe can move it, rock it
Pop it, lock it, drop it down low
So while you're sittin' on sidelines
Take notes from Prima J, you knowWatch us rock and roll it, Reggaeton it
Hip hop it and you know that's it's on
We came to party
And won't leave 'til the party's doneGotta lotta moves, gotta lotta skillz
Got the right things to pay the right bills
Who wanna battle the best?
I take all down, who step up next?What you hear is not a test
We came out to rock wit you
So that's what we're gonna do
Just make your body moveTo the left, to the left, to the right, to the right
To the back, to the back, to the back, to the back
Now shuffle, shuffle, shuffle, shuffle
Now slide, slide, slide, slideOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jumpOh, gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want

But they gotta jump
