

Lay All Your Love On Me

Information Society

You werent jealous before we met
Now every woman you see is a potential threat
Now youre possessive, it isnt nice
You used to say that smoking was your only vice But now it isnt true
Now anythings new
And all Ive learned
Has overturned
What I think of you Dont go wasting your emotion
Lay all your love on me I used to think love was sensible
It makes the truth even more incomprehensible
I still dont know what youve done to me
A grown-up boy should never fall so easily I feel a kind of fear
When I dont have you near
Unsatisfied
I swallow my pride
I beg you, dear Dont go wasting your emotion
Lay all your love on me
Dont go sharing your devotion
Lay all your love on me Dont go wasting your emotion
Lay all your love on me
Dont go sharing your devotion
Lay all your love on me
