June

Madita

No wonder you feel so alone
In this house in this home
Beyond all the differences go
Outside in the sunIt's june I swear it feels so good
It's june
I care if sun's too hot for you
It's june come on and let it grooveSo put on a jacket and come
I drive you in my car
I show you how different they are
Just look through the sunIt's june I swear it feels so good
It's june
I care if sun's too hot for you
It's june come on and let it groove
