

# Jesus Forever

## Elevation Worship

We are moving forward

Now is the time

For strength to rise

We shall proclaim unto the one who save

Jesus forever we crown you with praise

We shall remain that we'll break every chain

Jesus forever we crown you with praise

Raise up the banner

We are marching onward

Now is the time

For strength to rise

Lift up the Savior

He is fighting for us

Now is the time to rise

We shall proclaim unto the one who save

Jesus forever we crown you with praise

We shall remain that we'll break every chain

Jesus forever we crown you with praise
