

Gods of War

Malaise

 Feelin' like it's all over
 Feelin' like there's no love
 Feelin' like it's not easy
 Breathin' life in the dust
 On a countdown to zero
Take a ride on the nightmare machine
 There ain't gonna be heroes
 There ain't gonna be anything, oh
Here it comes, here comes the night
 Here it comes, hell in the night
Here it comes, here comes the night
 When we all fall down
 When we walk into silence
 When we shadow the sun
When we surrender to violence, oh
 Then the damage is done
 Put away that gun
 I don't wanna be there
 I don't wanna be anywhere, oh
Here it comes, here comes the night
 Here it comes, hell in the night
Here it comes, here comes the night
 That's right
We're fightin' for the Gods of war
 But what the hell we fightin' for?
We're fightin' with the Gods of war but I'm a rebel
And I ain't gonna fight no more, no way
 On a countdown to zero
Take a ride on the nightmare machine
 There ain't gonna be heroes
 There ain't gonna be anything, no
Here it comes, here comes the night
 Here it comes, hell in the night
Here it comes, here comes the night
 Don't ya know that's right
We're fightin' for the Gods of war
 But what the hell we fightin' for?
We're fightin' with the Gods of war
 And I ain't gonna fight no more

(Stop)
Stop fightin' for the Gods of war
(Stop fightin' for the Gods of war)
Yeah what the hell we fightin' for?
(What in the hell we fightin' for?)
We're fightin' with the Gods of war
Heavy
