Undiscovered

Laura Welsh

You're the only one that I've got
But I can't get lost if you
I can't get lost if youIt can be someone I know
To make it up to you
Make it up to youUuu uuuu uuuu
Uuu uuuu uuuuYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youYou don't wanna look ahead
When it's staring back at you
Staring back at youUuu uuuu uuuu
Uuu uuuu uuuu
Baby I'm about to lose
Uuu uuuu uuuu
But I can't decipher you
Uuu uuuu uuuuYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youIt's evident that you never were fully person
In a composition
Holding in what you really want
Left no evidence that you were listeningIt's evident that you never were fully person
In a composition
Holding in what you really want
Left no evidence that you were listeningYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to youYou're undiscovered
I wanna see the rest of you
I can't get next to you

I can't get next to youYou're undiscovered
I wanna see the rest of you
I can't get next to you
I can't get next to you
