

# Electricity

Elton John

I can't really explain it, I haven't got the words  
It's a feeling that you can't control  
I suppose it's like forgetting, losing who you are  
And at the same time something makes you whole  
It's like that there's some music playing in your ear  
And I'm listening and I'm listening and then I disappear  
And then I feel a change, like a fire deep inside  
Something bursting me wide open, impossible to hide  
And suddenly I'm flying, flying like a bird  
Like electricity, electricity  
Sparks inside of me and I'm free, I am free  
It's a bit like being angry, it's a bit like being scared  
Confused and all mixed up and mad as hell  
It's like when you've been crying and you're empty and you're full  
I don't know what it is, it's hard to tell  
It's like that there's some music playing in your ear  
But the music is impossible, impossible to hear  
But then I feel it move me like a burning deep inside  
Something bursting me wide open, impossible to hide  
And suddenly I'm flying, flying like a bird  
Like electricity, electricity  
Sparks inside of me and I'm free, I am free  
Electricity  
Sparks inside of me and I'm free, I'm free  
Oh, I'm free
