

Shake Me Like a Monkey

Dave Matthews Band

The thing I like about you
Is the way you
The way that you do
The thing I like about you God and the devil alone
Could not have made you up
The two must have worked
As one together So good just wanna eat you up
Nothing like the real thing
Lick your sticky fingers boy
And sing for your dinner sing Come on pretty baby
Make me lose my mind
Everybody get together
Gonna make love shine Do you know what it is
To feel the light of love inside you?
And all the darkness falls away
If you feel the way I feel
Then believe we have the answer
I've been searching for tonight
Love me baby love me baby
Shake me like a monkey baby
Forever I'm yours yours yours
Yeah forever I'm I, I, I
Can't stop thinking about you
Yeah yeah yeah
Why would I want to I like my coffee with toast and jelly
But I'd rather be licking
From your back to your belly
I, I, I
Think I'm going to Do you know what it is
To feel the light of love inside you?
And all the darkness falls away
If you feel the way I feel
Then believe we have the answer
I've been searching for tonight
Love me baby love me baby
Shake me like a monkey baby
Forever I'm yours yours yours
Yeah forever I'm Cigarettes and coffee
Broken hearts and being lonely

Little girls and ponies
Things that go together Yes and no
You have to choose
Romeo and Juliet
The hang man and his noose
You and me we go good together Kiss kiss make a wish
Hope that it comes true
I ain't waiting for the world to change
Gonna change the world for you Come on pretty baby
Make you lose your mind
Everybody get together
Gonna make love shine Do you know what it is
To feel the light of love inside you?
And all the darkness falls away
If you feel the way I feel
Then believe we have the answer
I've been searching for tonight
Love me baby love me baby
Shake me like a monkey baby
Forever I'm yours yours yours
Yeah forever I'm Come on everybody
Make me lose my mind
Everybody get together
Gonna make love shine
