

Trouble

Gloriana

Hug me strong like a burnin' whiskey
Hug me sweet like Tenessy honey, honey
Free as a daisy, careful if you pick me
This wildflower can get a little crazy, baby

If you're runnin' around, you better run from me
You packin' up your bags, and get goin', get goin'
You wrecked my heart, wrecked everything
And anything I can get my hands on
If you lie, lie, lie with those wandering eyes
Better find one hell of a place to hide
When you mess with me, you best believe
That you're gonna be, askin' for trouble

You got too many holes in your story
And I'll get down to the truth, don't you worry, worry
Piece by piece I'll put it all together
You cross that line, you cross me forever, baby

If you're runnin' around, you better run from me
You packin' up your bags, and get goin', get goin'
You wrecked my heart, wrecked everything
And anything I can get my hands on
If you lie, lie, lie with those wandering eyes
Better find one hell of a place to hide
When you mess with me you best believe
That you're gonna be, askin' for trouble

Oh, oh, oh, oh
Oh, oh, oh, oh
Trouble,
Oh, oh, oh, oh
Oh, oh

If you're runnin' around, you better run from me
You packin' up your bags, and get goin', get goin',
You wrecked my heart, wrecked everything
And anything I can get my hands on
If you lie, lie, lie with those wandering eyes
Better find one hell of a place to hide

When you mess with me, you best believe
You best believe, baby

If you're runnin' around, you better run from me
You packin' up your bags, and get goin', get goin'
You wrecked my heart, wrecked everything
And anything I can get my hands on
If you lie, lie, lie with those wandering eyes
Better find one hell of a place to hide
When you mess with me, you best believe
That you're gonna be, askin' for trouble

Oh, oh, oh, oh
