

Wash Me Clean

[k.d. lang](#)

You swim
Swim through my veins
Drown me
In your rainMy desire
Carries no shame
My will
Will harbor no painWash
Wash me clean
Mend my wounded seams
Cleanse my tarnished dreamsSwim
Swim through my veins
Drown me
In your rainWash
Wash me clean
Mend my wounded seams
Cleanse my tarnished dreamsDrink, drink from my spell
Quench, love's drying wellWash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
