## Shohreh

It's common sense, a moral stand  
but if I could choose, I'd go to Iran

and I'll befriend a married man

Verse 2:  
It's common news, it's common sense

But if I could choose, I'd go to Iran

It's common news, it's common sense

That I could lose my own two hands  
Repeat Verse 1 (vocalizing / instrumental)
