

Disconnect

Rollins Band

Don't like to think too much, it makes me think too much,
It keeps my mind on my mind
Don't wanna see too much, it makes me see too much
Sometimes I'd rather be blind All the things that they're saying and doing
When they pass me by it just fills me up with noise
It overloads me
I wanna disconnect myself
Pull my brain stem out and unplug myself
I want nothing right now I want to pull it out
Yeah, I want to pull it out, yeah
I wanna break it all down, hey, I wanna pull it out
Yeah, yeah, disconnect myself, disconnect myself
I wanna see it go down, yeah, disconnect myself A thousand miles an hour going nowhere fast
Clinging to the details of your past
Talking 'bout your damage and you're wasting my time
Wanna be the king of pain then stand in line
All the numbers and the colors and the facts
Backed by the rumors and the figures and the stats
I think I'm gonna download my mind I wanna pull it out I want to pull it out
Yeah, I want to pull it out, yeah
I wanna break it all down, hey, I wanna pull it out
Yeah, yeah, disconnect myself, disconnect myself
I wanna see it go down, yeah, disconnect myself I wanna disconnect myself, do it
I wanna disconnect myself, get it
I wanna pull my brain stem out, do it
I wanna disconnect myself right now Too damn bad if at the end of the day the only thoughts in your brain are
all the things that they say
What a waste
Too damn bad if at the end of the line you got no idea of what's on your own mind
You got no one to blame but yourself
Too much to know, too much to see
It might mean something to you but it's nothing to me
Just another ad for someone's version of how they think it should be I wanna disconnect myself, pull my brain
stem out and unplug myself
I want nothing right now,
I want to pull it out Yeah, I want to pull it out, yeah
I wanna break it all down, hey, I wanna pull it out
Yeah, yeah, disconnect myself, disconnect myself
I wanna see it go down, yeah, disconnect myself

I wanna break it all down, yeah, disconnect myself
