

Fight Fire with Fire (Garage Demo)

Metallica

Do unto others
As they've done to you
But what the hell is
This world coming to? Blow the universe
Into nothingness
Nuclear warfare
Shall lay us to rest Fight fire with fire
Ending is near
Fight fire with fire
Bursting with fear We all shall die Time is like a fuse
Short and burning fast
Armageddon's here
Like said in the past Fight fire with fire
Ending is near
Fight fire with fire
Bursting with fear We all shall die Soon to fill our lungs
The hot winds of death
The Gods are laughing
So take your last breath Fight fire with fire
Ending is near
Fight fire with fire
Bursting with fear Fight fire with fire
Fight fire with fire
Fight fire with fire
Fight fire with fire Fight fire with fire
Fight fire with fire
Fight fire with fire
Fight fire with fire
Fight
