

# When All Is Said and Done (Re-Recorded)

## Trapt

You have a chance to really shine now  
Well patience was never one of your true virtues  
Stop trying to control everything and fuck what they say  
What do you have to prove?[Bridge:]  
So why am I waiting?  
This time that I'm wasting, if that's what you mean  
So why am I waiting?  
This time that I'm wasting, if that's what you mean[Chorus:]  
How will this be when all is said and done, will I know where I'm from?  
Remember me  
Where will I be, I guess I'm on the run, and time is catching up behind me (Yeah)And I'm scared to be the only  
one who sees  
The hourglass run dry 'cause too much time went by  
Why do I try to prove that I will be ready for everything thrown at me[Bridge][Chorus: x2]These thoughts  
trickle down  
Imaginary lines cut through the ground  
These thoughts trickle down  
Imaginary lines cut through the ground[Bridge][Chorus: x2]
