Disseminated

Soul Coughing

The goat chewed up
Once a tin can
The goat shat out
Was a Ford SedanI like an eyeball
I like a square cut
I like a funny car
I like a monster truckCall up bop and I'm bunting stomach
Koko mop, I chop chunking plummet
Thud on top, I ate the chocodileCall up bop and I'm bunting stomach
Koko mop, I chop chunking plummet
Thud on top, I ate the chocodileAnd ever since then, I got disseminated
And ever since then, I got disseminated
And ever since then, I got disseminated
Well it's a self fulfilling prophecyThe Jupiter Moon, I got disseminated
The Jupiter Moon, I got disseminated
The Jupiter Moon, I got disseminated
Well it's a self fulfilling prophecyA toots hibbert
Up at the wrong prom
Serves a beat down
Upon a tom tomI like Genius
I like Jason
I like Joseph
I like NirvanaCall up bop and I'm bunting stomach
Koko mop, I chop chunking plummet
Thud on top, I ate the chocodileCall up bop and I'm bunting stomach
Koko mop, I chop chunking plummet
Thud on top, I ate the chocodileThe Jupiter Moon, I got disseminated
The Jupiter Moon, I got disseminated
The Jupiter Moon, I got disseminated
Well it's a self fulfilling prophecyAnd ever since then, I got disseminated
And ever since then, I got disseminated
And ever since then, I got disseminated
Well it's a self fulfilling prophecyThe Average Man, I got disseminated
The Average Man, I got disseminated
The Average Man, I got disseminated
Well it's a self fulfilling prophecyAnd ever since then, I got disseminated
And ever since then, I got disseminated
And ever since then, I got disseminated
Well it's a self fulfilling prophecy
