

I've Got So Much Love

Kim Wilde

I got this fever that burns in my head
And I don't want to move out of this bed
My heart is speeding away like a fast freight train
It's heading your way It's racing like a river that's gone out of control
And reaches out for something completely unknown
It's eating through the senses and breathes in my soul
Oh, this feeling, just got to let it go Oh, I got so much love, oh, oh
Do you feel the same?
I got so much love, oh, oh
Do you feel the same? Well, how can I begin to
Hide the feelings that I'm into for you?
I got so much love inside
I got this feeling for you But now, the cure is about to begin
I feel your fingers all over my skin
And then the fire of kiss
What a thrill, so sweet so sweet I don't what's taking me but I want to go
It's burnin' up [Incomprehensible] the way of life
It's eatin' up my senses, burns in my soul
Oh, this feeling, just got to let it show Oh, I got so much love, oh, oh
Do you feel the same?
I got so much love, oh, oh
Do you feel the same? Well, how can I begin to
Hide the feelings that I'm into for you?
I got so much love inside
I got a feeling for you Well, how can I begin to
Hide the love that I got into with you?
I got so much love inside
I got a feeling for you (Yeah, yeah, yeah)
Do you feel the same?
(Yeah, yeah, yeah)
Do you feel the same? (Oh, oh, oh)
Do you feel the same?
(Oh, oh, oh)
Do you feel the same?
