

# Better

## Erasure

Take me to heaven one more time  
Deeper I fall into your eyes  
Takes me to heaven  
Take me to heaven one more time  
Deeper I fall into your eyes  
Takes me to heaven  
Take me to heaven one more time  
Deeper I fall into your eyes  
Takes me to heaven  
Takes me to heaven  
Takes me to heaven  
Takes me to heaven  
Takes me to heaven  
Better, ooh better  
Better, ooh better  
Better, ooh better  
(Takes me to heaven)  
Better, ooh better  
Better, ooh better  
Better, ooh better  
(Takes me to heaven)  
Take me to heaven one more time  
Deeper I fall into your eyes  
Takes me to heaven
