

End of the Day (Silence)

Blue Foundation

Silence
Stretching out between us
I dream of a presence
With essence
And absence of doubtCome closer
Come and stay with me now
Help me reconcile
Come and stay a whileAnd I will find a home
Because we love till the end
We love till the end of the day
Of the dayDistant
Shifty-eyed and restless
I dream of a presence
With essence
And absence of doubtCome closer
Come and stay with me now
Help me reconcile
Come and stay a whileAnd I will find a home
Because we love till the end
We love till the end of the day
Of the day
