

# Deserving?

Serj Tankian

I don't deserve you, why can't you see?  
I will desert you, why don't you leave?  
But you put your faith in me one last time  
You, you put your faith in love all the time I don't deserve you, why can't you see?  
I will desert you, why don't you leave?  
But you put your faith in me one last time  
You, you put your faith in love all the time I believe that you, you and me, you and me  
We, we've achieved a love that we, we can see I don't deserve you, why can't you see?  
I will desert you, why don't you leave  
But you put your faith in me one last time  
You, you put your faith in love all the time I believe that you, you and me, you and me  
We, we've achieved a love that we, we can see  
For, I believe that you, you and me, you and me  
We, we've achieved a love that we, we can see So go find your path, take me with you  
I will make sure no one hurts you  
I need your ways, we deserve it  
We'll depend on our love here we So go find your path, take me with you  
I will make sure no one hurts you  
I need your ways, we deserve it  
We'll depend on our love here we go  
Here we go, you know, you know, you know For I believe that you and me  
We've achieved a love we can see, my love
