Deserving?

Serj Tankian

I don't deserve you, why can't you see?

I will desert you, why don't you leave?

But you put your faith in me one last time

You, you put your faith in love all the timeI don't deserve you, why can't you see?

I will desert you, why don't you leave?

But you put your faith in me one last time

You, you put your faith in love all the timeI believe that you, you and me, you and me We, we've achieved a love that we, we can seeI don't deserve you, why can't you see?

I will desert you, why don't you leave

But you put your faith in me one last time

You, you put your faith in love all the timeI believe that you, you and me, you and me We, we've achieved a love that we, we can see

For, I believe that you, you and me, you and me

We, we've achieved a love that we, we can seeSo go find your path, take me with you

I will make sure no one hurts you

I need your ways, we deserve it

We'll depend on our love here weSo go find your path, take me with you

I will make sure no one hurts you

I need your ways, we deserve it

We'll depend on our love here we go

Here we go, you know, you know, you knowFor I believe that you and me We've achieved a love we can see, my love
