

Accidents Will Happen

Elvis Costello

Oh I just don't know where to begin
Though he says he'll wait forever
It's now or never
But she keeps him hanging on
The silly champion
She says she can't go home
Without a chaperone Accidents will happen
We only hit and run
He used to be your victim
Now you're not the only one Accidents will happen
We only hit and run
I don't want to hear it
'Cause I know what I've done There's so many fish in the sea
That only rise up in the sweat and smoke like mercury
But they keep you hanging on
They say you're so young
Your mind is made up but your mouth is undone Accidents will happen
We only hit and run
He used to be your victim
Now you're not the only one Accidents will happen
We only hit and run
I don't want to hear it
'Cause I know what I've done And it's the damage that we do
And never know
It's the words that we don't say
That scare me so There's so many people to see
So many people you can check up on
And add to your collection
But they keep you hanging on
Until you're well hung
Your mouth is made up but your mind is undone Accidents will happen
We only hit and run
He used to be your victim
Now you're not the only one Accidents will happen
We only hit and run
I don't want to hear it
'Cause I know what I've
I know what I've
I know what I've done I know, I know, I know, I know

I know, I know, I know, I know
I know, I know, I know, I know
I know, I know, I know, I know
I know, I know, I know, I know
I know, I know
