

# W.F.Y. (Album Version (Explicit))

## Electrik Red

This could be big  
You know what it is Yeah, you really put it on a girl  
I love the way you kiss on the pearl  
I love it how we did it everywhere  
I love it when you sweat out my hair  
And boy you're like a Michael you can really beat it (wooo!)  
And yes I, appreciate the lovely evening Wonder if you fellas know the truth (know the truth)  
Y'all don't fuck us, nigga we fuck you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh)  
We fuck you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh) I heard you like to put it on  
the street  
And how I'm an undercover freak  
You was like flash in the sheets  
So fast I had to finish when you leave  
Like a kid with a cake you can really eat it (uh)  
Like a stray dog happy every time I feed him I wonder if you know the truth, (know the truth)  
Y'all don't fuck us, nigga we fuck you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh)  
We fuck you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh), you (eh) Now I hope my momma  
don't hear this song  
Cause she raised a choosy lover,  
I pick my bones  
And it's always my decision to get it on  
Yeah I get it on, I get it on (two step)  
I get it on, I get it on (two step)  
I get it on, I get it on (two step)  
I said I get that on, I get that on, I said I get that on  
I get that on It's all about me-eh-eh-eh-eh-eh (in da club)  
We fuck you (eh), you (eh), you (eh) (all my girls)  
We fuck you (eh), you (eh), you (eh) (put em up)  
We fuck you (eh), you (eh), you (eh) (this song's about you) We fuck you, you, you [continues in the  
background] Come over here baby, let me talk to you for a second  
Put up on a couple of things  
You know that thing you do with your tongue?  
It's amazing, stupendous, marvelous, exciting (damn)  
But you gotta get your mind together  
And them jeans is a little too tight  
What? I fucks with it?  
It's cool, It's cool  
I get it, some fashion, hahaha
