Scooter Boys

Indigo Girls

Scooter boys and Argentineans
Europe shed the blood of the Indians
Here I sit in the land of plenty
Crying about my own virginity
Hey blue blood you're nothing new
See I come from privilege too
A chapter in the book on the Americans
And your just another colonial terrorist
Scooter boys and Argentineans
Europe shed the blood of the Indians
'N' here I sit in the land of plenty
Crying about my own virginity
Yeah
Yeah
Yeah
Yeah

Way down south where the Maya reign
Zapata reading poetry in his grave
They say we're stealing from the best
To feed the poor
Well they need more
Scooter boys and Argentineans
Europe shed the blood of the Indians
Here I sit in the land of plenty
Crying about my own virginity
Yeah
Yeah
Oh
Yeah
Yeah
