Bitter Tears

Myris

In the mist of my endless search
The best in life becomes clear
The rest just begins to fade by itself
That's a trick I learnt though it took so long
Bitter tears taste so sweet
I'm seein' my way for the first time in years
When the love around begins to suffer
And you can't find love in one, in one another
Push away those bitter tears, bitter tears
And I thought I was doin' no wrong
No wrong
And I thought I was doin' no wrong
No wrong
In the hour of your needs
Lips are tremblin' 'cause you're gonna be free
Realize what we're doin' here
The time is right to kill your fears

Bitter tears taste so sweet
I'm seein' my way for the first time in years
When the love around begins to suffer
And you can't find love in one, in one another
Push away those bitter tears, bitter tears
And I thought I was doin' no wrong, no wrong
Push away those bitter tears
Push away those bitter tears
Push away those bitter tears
Push away those bitter tears
That's what they call doin' no wrong
That's what they call doin' no wrong
Push away those bitter tears
Push away those bitter tears
Push away, push away those bitter tears
That's what they call doin' no wrong
