

Good Morning

[Lenny Kravitz](#)

Good morning, nice to see you
How you been?
The beginning of another lovely day
Oh, oh, oh, oh, oh, good morning
Get up, put your feet on the ground
Wake up to an ice cold shower
The coffee's hot but the cream is sour
So, get up
Top of the morning to you
Good morning to you, hey
Oh, oh, oh, oh, oh, good morning
Good morning
Can I walk you to the train?
Would you like to get a bagel on the way?
Oh, oh, oh, oh, oh, good morning
Get on and we go downtown
Get off and go in the tower
The boss is old but he has the power
So, we're up
Top of the morning to you
Good morning to you, hey
Oh, oh, oh, oh, oh
It's another day in the world in which we live
I've got to find a way to get past what I can't forgive
And no matter what, we've got to try to move along
So sing a song, you can't go wrong
Good morning, nice to see you
How you been?
The beginning of another, lovely day
Oh, oh, oh, oh, oh, good morning, good morning
Good morning, good morning, good morning
Good morning, good morning
