

Stand

Donnie McClurkin

C: What do you do

L: When you've done all you can and

It seems like it's never enough?

And what do you say when your friends turn away

And you're all alone, all alone?

Tell me,

C: What do you give

L: When you've given your all all

seems like you can't make it through?

Well you just stand when there's nothing left to do

You just stand, watch the Lord see you through

Yes, after you done all you can, you just stand

Tell me,

C: How do you handle

L: When your love ones have past, tell me how to you deal with the strain?

C: And how can you smile while your heart has been broken

And filled with pain, filled with pain? ohhhh

Tell me

L: What do you give when you've given your all

Seems like you can't make it through?

Child, you just stand when there's nothing left to do

You just stand, watch the Lord see you through

Yes, after you've done all you can, you just stand

C: Stand and be sure

L: Be not entangled in that bondage again

You just stand

C: Stand and endure

L: God has a purpose, yes, god has a plan

Tell me

C: What do you do

L: When you've done all you can

And it seems like you can't make it through?

Child, you just stand

C: Stand,

L: You just stand

C: Stand,

L: Stand

C: Stand,

L: Don't you dare give up

C: Stand,
L: through the storm,
C: Stand,
L: Stand through the rain
C: Stand,
L: Through the hurt,
C: Stand,
L: Yeah, through the pain
C: Stand,
L: Don't you bow,
C: Stand,
L: And don't bend
C: Stand,
L: Don't give up,
C: Stand,
L: No, don't give in
C: Stand,
L: Hold on,
C: Stand,
L: Just be strong,
C: Stand,
L: God will step in
C: Stand,
L: And it won't be long
C: Stand,
L: After you've done all you can,
C: after you've done all you can
L: After you've done all you can,
C: after you've done all you can
L: After you've gone through the hurt,
C: after you've done all you can
L: after you've gone through the pain
C: after you've done all you can
L: After you gone through the storm,
C: after you've done all you can
L: after you gone through the rain
C: after you've done all you can
L: Prayed and cried, prayed and cried
C: after you've done all you can
L: Prayed and you've cried
C: after you've done all you can
L: Prayed and cried, oh my
After you done all you can you just stand
