

Dolphins

The The

Sometimes I think
About Saturday's child
And all about the times
When we were running wild I've been a searching
For the dolphins in the sea
Oh, but sometimes I wonder
Do you ever think of me? This old world will never change
The way it's been
And all our ways of war
Can't change it back again I've been a searching
For the dolphins in the sea
Oh, but sometimes I wonder
Do you ever think of me? Lord, I'm not the one to tell
This old world how to get along
I only know that peace will come
When all I hate is gone I've been a searching
For the dolphins in the sea
Oh, but sometimes I wonder
Do you ever think of me? This old world will never change
This old world will never change
This old world will never change
