

Sic of Elephants (30 Days, 30 Songs) [Live]

[Andrew Bird](#)

You were right
There was never reason to worry
Money made your eyesight all blurry
Making lists of pacifistsRecalcitrant poses
Can't you see how dangerous
The one you chose is?
Which brings us back toMight makes right
So we learn from Wars of the Roses
Pain was only fear
Kneading your toesMaking haste to spite your face
To cut off your noses
Convince yourself and others that these
Fish smell like rosesCan't you see how dangerous?
When you're too content to make a fuss
Can't you see how dangerous?Squint your eyes and see
Elephants, sycophants, elephantsSquint your ears and hear red-faced rants
Pleated pants
Sycophants
That's what you areCan't you see how dangerous?
When you're too content to make a fuss
