

# Free Again (Stereo Remix with Alternate Vocal)

[Alex Chilton](#)

Well I'm free again to do what I want again  
Free again to sing my songs again  
Free again to end my longing  
To be out on my own againWell I had me a girl but she couldn't understand  
Me and my ways or my need to be a man  
Left her today, took my life in my hands  
Well I'm free againWell I'm free again to do what I want again  
Free again to sing my songs again  
Free again to end my longing  
To be out on my own againWell I made a mistake and thought I could settle down  
Thought I could take a leash on my neck around  
But now I'm gonna make my way to a better town  
My feet are back on the ground  
Well I'm free again to do what I want again  
Free again to sing my songs again  
Free again to end my longing  
To be out on my own again
