

What Did I Ever Give You

Kaiser Chiefs

One, two, three, four
Head down, keep your head down
Keep the ramp down all the time
Hold tight, to your red stripe
Why do we fight every time
I wish that you could see me in the day
I hope that you'll remember me that way
Nightclub, more the lights stop
Stopped to all the time
I treat you like the see-through
I don't mean to every time
I wish that you could see me in the day
I hope that you'll remember me that way
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth
Disgraced, back to my place
I'm a complete waste of your time
I'm asleep before the first sheep
Until the last bleep of all time
I wish that you could see me in the day
I hope that you'll remember me that way
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth
What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to

All I gave you was grief
Are you sick to your teeth What did I ever give you
