Feeling Sorry

Name Taken

We still live in the same town, well, don't we?
But I don't see you around anymore
I go to all the same places, not even a trace of you
Your days are numbered at 24And I'm getting bored waiting 'round for you
We're not getting any younger
And I won't look back 'cause there's no use
It's time to move forwardI feel no sympathy, you lived inside a cave
You barely get by the rest of us
You're trying, there's no need to apologize
I've got no time for feeling sorryI tried not to think of what might happen
When your reality it finally cuts through
Well, as for me, I got out and I'm on the road
The worst part is that this, this could be youYou know it too, you can't run from your shame
You're not getting any younger
Time keeps passing by but you waited awake
It's time to roll overI feel no sympathy, you lived inside a cave
You barely get by the rest of us
You're trying, there's no need to apologize
I've got no time for feeling sorryAnd all the best lies
They are told with fingers tied
So cross them tight, won't you promise me tonight?
If it's the last thing you do, you'll get outI feel no sympathy, you lived inside a cave
You barely get by the rest of us
You're trying, there's no need to apologize
I've got no time, got no timeI feel no sympathy, you lived inside a cave
You barely get by the rest of us
You're trying, there's no need to apologize
Got no timeI've got no time for feeling sorry
I've got no time for feeling sorry
