

# Last Heart Standing

Jojo

You think you'll wear me down, ey  
you think I'll fall just like rain  
you think you'll get in my brain  
don't think so, no  
You think you'll get me so weak  
and knock me off of my feet  
you think you'll sneak in my dreams  
oh no you, won't  
You'll find, find, find  
you're wasting all your time, time, time  
so go ahead and try, try, try  
I won't be one more name on your wall of shame  
And you'll see, I won't go down so easy  
you won't bring me down to my knees  
I'm gonna be the last heart standing, the last heart standing  
I'm too tough to let you get me tripped up  
won't be no casualty of your love  
I'm gonna be the last heart standing, the last heart standing  
oh, oh, oh, oh, oh oh(2x)  
oh, oh,  
I'm gonna be the last heart yeah  
You think you'll change my mind, ey  
and take up all my time, ey  
think you should know there's no way  
that's going down  
you think you're gonna win this  
and get me swept up in this  
but oh whoa, you must be tripping  
cause I'm standing my ground  
  
so try, try, try,  
you're only gonna find, find, find  
you're wasting all your time, time, time  
I won't be one more name on your wall of shame  
you'll see, I won't go down so easy  
you won't bring me down to  
I'm gonna be the last heart standing, the last heart standing  
I'm too tough to let you get me tripped up  
won't be no casualty of your love

I'm gonna be the last heart standing, the last heart  
After all the other hearts all fall  
this heart will be standin tall  
I won't play this game  
you won't win this fight  
why you even tryin why  
you wastin your time  
you'll see, I won't go down so easy  
you won't bring me down to my knees  
I'm gonna be the last heart standing, the last heart  
I'm too tough to let you get me tripped up  
won't be no casualty of your love  
I'm gonna be the last heart standing, the last heart standing  
Oh oh oh oh oh oh oh(2x)  
Oh oh  
im gonna be the last hearting standing(2x)  
oh oh oh oh oh (2x)  
oh oh  
Im gonna be the last heart standing(2x)
