

# Satellites (The Disco Boys Remix)

## September

Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites Well, they said it was time for changing  
Rise and shine  
Everybody's making it, but you  
And they told you to trust your dreaming  
But it's hard to believe a feeling  
That you just don't know Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites  
Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites You can try and walk on water  
In the end everybody  
Walks all over you  
No, you don't like the sight of mirrors  
Cause you're scared that the face  
Will see, will look just like before Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites  
Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites All I want is you  
Let me take you back  
Where you once belong  
All I want is you  
It will be alright if you come along  
You were never gone Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites  
Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning

For satellites Even an angel can end up falling  
Don't you cry, because you're crawling  
Start again, it's a beautiful morning  
For satellites
