

God Will Take Care of Me (feat. Neicey Robertson)

[Vashawn Mitchell](#)

Broken but desperate in pain but relieved
Rejected but protected yet there is no stopping me
Depressed but I'm free, O Lord, I've been redeemed
One thing I know God will take care of me Yes, I know God will take care of me My trials come to make me
strong and I'm getting
Stronger every day God make a promise He said He'd
Never leave me and I'm not forsaken no I'm not alone
Come what may I'll be okay, (say that every day of your life)
Come what may I'll be okay He didn't bring me this far to leave me
He didn't bring me this far to leave me
(let's sing this together)
Vamp (to the end)
He didn't bring me this far to leave me
