

# A Song For You (Mono Single)

[Donny Hathaway](#)

I've been so many places in my life and time  
I've sung a lot of songs  
I've made some mad rhymes  
I've acted out my life in stages  
With 10,000 people watching  
But we're alone now and I'm singing this song to you I know your image of me is what I hoped to be  
I treated you unkindly  
And darling can't you see  
There's no one more important to me  
Baby can't you see through me  
Cause we we're alone now and I'm singing this song to you You taught me precious secrets  
Of a true love, you wanted nothing  
You came out in front and I was hiding  
Now I'm so much better  
And if my words don't come together  
Listen to the melody  
'cause my love is in there hiding I love you in a place where there's no space or time  
I love you for my life  
Your a friend of mine  
And when my life is over  
Remember when we were together  
We we're alone and I was singing this song to you (repeat last line 2x)
