

Change

Tracy Chapman

If you knew that you would die today
If you saw the face of God and Love
 Would you change?
 Would you change?
If you knew that love can break your heart
When you're down so low you cannot fall
 Would you change?
 Would you change?

[Chorus]
How bad how good does it need to get?
How many losses how much regret?
 What chain reaction
 What cause and effect
 Makes you turn around
 Makes you try to explain
 Makes you forgive and forget
 Makes you change
 Makes you change

If you knew that you would be alone
 Knowing right being wrong
 Would you change?
 Would you change?
If you knew that you would find a truth
That brings a pain that can't be soothed
 Would you change?
 Would you change?

[Chorus]
Are you so upright you can't be bent
 if it comes to blows
Are you so sure you won't be crawling
 If not for the good why risk falling
 Why risk falling

If everything you think you know
 Makes your life unbearable
 Would you change?

Would you change?
If you'd broken every rule and vow
And hard times come to bring you down
Would you change?
Would you change?

If you knew that you would die today
If you saw the face of God and Love
Would you change?
Would you change?
