

Where You Are (is Where I Wanna Be) Part 2

Donell Jones

I'm saying, I'm sorry for leaving you
But I wanted to start my life brand new
I was going through changes and could not see
That with you is where I wanna be Nothing compares to you
And I hurt from the pain that I put you through
Baby, I need you desperately
'Cuz I gotta be Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are? Where you are, uh huh, oh? Being apart got the best of me
And I know that in life there's no guarantees
Please say that you still got love for me
'Cuz I'm missing home I'm never gonna leave
And I say it because you're all I need
For better or worse to the end of time
I gotta be Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are? Where you are and where you are?
Where you are, oh? I am sorry for all the things
I put ya through
Baby, you are my world
I can't live my life without you Can I come back home where I belong
'Cuz I'm so alone
Baby girl, I'm on my knees, beggin' please
'Cuz with you is where I wanna be Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are?
Anywhere you are, it don't matter how far
Where you are? I just wanna be where you are baby
