

Can't Say

Freudian Flip

I can't say why I love you
But I do, yes, I do
And when I'm around you
It feels so good, feels so good
And everything that I can do
Every wish I make for you
In the end it all came true and I
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
Baby, when I found you
I just knew, I just knew that I
Couldn't live without you
Feel it too, do you feel it too?
And everything you give to me
Feels as though it's meant to be
If you ever ask me how I feel
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
Now, I'm thinking of you
Oh, when I can't explain the feeling
But I know that it's real when I hold you
When I saw you, you know, I knew
I knew I couldn't live without
Without you ever in my life
When I saw you, you know, I knew
I knew I couldn't live without
Without you ever in my life
And everything you give to me
Feels as though it's meant to be
So, if you ever asked me how I feel
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you

(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
(Can't say, can't say but I do)
I can't say why I love you
