Long Way Down

Forty Foot Echo

Put your life upon a shelfFor another day
Fay away from everything
What would they say
Somethin simple, somethin strange
Is he gone for good again
And why'd he act this way[Chorus]
And could you ever see
Its a long way down
And could you ever find a way
Just to see you there
Try to understand me now
Its a lot of time to wasteCould you ever see yourself
In another place
Far away from everything
What a perfect spaceNothin' ever, nothin' sane
But I know where you're coming from
To find yourself again[Chorus]I don't wanna know
It's a long way down
Oooh, oohCould you ever see yourself
In another place
Far away from everything[Chorus]It's a lot of time
It's a lot of time to waste
It's a lot of time
It's a lot of time to waste
